"As a lecturing teacher, I will press the fight to save P.S. 191 and closing of our area schools, being turned into high-rises. I will continue the battles fought by our current council representative over Damrosch Park as well the many other community projects to improve life in this newly re-shaped political district.
OUR FIGHT WILL GO ON!

- **Continue pressing for more local affordable housing**
- **Work for improved and enhanced public education**
- **Work with our next Mayor to bring jobs back to New York**
- **Improve and speed up City Agencies response time to us**
- **Better serve the needs and concerns of Senior Citizens as well as our entire community, with 24/7 availability**

The Sunday New York Times says that:

"70% of New Yorkers rent" and SO DO I!

Candidate Aaron Braunstein is taking on the other candidates of district 6:

Some of the other Candidates are either Real Estate Tycoons whose families are professional builders of SRO's - Condos. Billionaire New York City Landlords, Real Estate Lawyers & Land Barons... A matter of fact several are President's of their Upper East Side Co-ops!

Check it out yourself
on Google.

The other Candidates are part of the pathetic 12 year system that has laughed at the phrase "Term Limits". Yes all the Council-people Voted to get rid of the Term Limits. Check it out yourself. Political Monopoly on the greatest City of all time, New York. I am a 5th generation New Yorker who just like you has been renting since 1992. My rent goes up every year and we only get 12 Month leases. Vote for me to take back New York City for the working people, people just like myself. Bottom line my 6 opponents are either part of Real Estate Rich Families, Real Estate lawyer, whom really are Upper East Sider's President's of Co-Op Boards on Park Ave & 5th Ave. The other Candidates are part of The 12 Year "No Term Limit NYC Politicians" where NYC Politician's are the Laughing Stock of America.

Yes I have enough people on my side, to fight The NYC Real Estate Tycoon's & The Political NYC 12 year Dictators. As as a Pure New Yorker I really dislike having my intelligence insulted. Aaron Braunstein is The Voice of The People. Jon Stewart & Stephen Colbert made a Surprise 93rd Birthday party for my Great Uncle Al Jaffee whom is the Artist for MAD MAGAZINE for 45 years and is still painting the Fold-INS. The reason Jon Stewart & Steve Colbert celebrated my Great Uncle's 93rd was because MAD Magazine, was the Original Contrarian. I will continue with the great tradition of speaking my mind and standing up for you!
